NARRATIVE:

Johnson is a multi-state offender and has an extensive adult criminal history that began at the age of 20. His convictions include grand theft auto, illegally using access cards, failure to appear, force/assault with a deadly weapon not a firearm with great bodily injury likely, grand theft of a person, exhibiting a deadly weapon, and use and under the influence of a controlled substance. He has served multiple state prison terms the longest a 5 (five) year term for assault with a deadly weapon with great bodily injury likely. Johnson was released from state prison to the supervision of the Los Angeles County Probation Department on October 11, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2014 after he absconded from post release community supervision (PRCS). Johnson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of grand theft of a person is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
